## 2019/2020 Year in Review

# The Mission of the Fort Worth Symphony Orchestra is:

To perform great symphonic music at the highest level of artistic excellence to educate, entertain, and enhance cultural life.

To present engaging music education programs for young people to foster early interest in and inspire lifelong enjoyment of music.

To achieve ever-greater levels of artistic accomplishment and leadership in Fort Worth and across the nation.

## Chairman of the Board of Directors Mercedes T. Bass

Dear Patrons and Supporters of the FWSO,

It is my great honor to serve as Chairman of the Board of Directors of the Fort Worth Symphony Orchestra. I send each of you my deepest gratitude for your devoted support and advocacy, especially throughout this global pandemic.

We began the FWSO 2019/2020 season with so many incredible concerts. The musicians, as always, performed exquisitely during their final year with Miguel Harth-Bedoya as our Music Director. In March 2020, our world stopped due to the terrible COVID-19 pandemic. So many have been personally impacted by this virus, and all of us at the FWSO send our heartfelt sympathies and best wishes as we continue to persevere through this challenging time.

At the time of the state and county mandated closures, the FWSO quickly shifted its focus to virtual and online experiences to continue our great mission for the community. The orchestra announced The Music Lab to keep the music playing beyond the walls of the concert hall which provided an opportunity for our patrons, donors, education partners, and more to engage with our world-class musicians. We were so pleased to present this sophisticated virtual format and I hope you enjoyed many of the programs by Miguel and our musicians.

The FWSO also broadcast a very special July 4th program, America Strong, and even was featured prominently in the League of American Orchestra’s national *Symphony* magazine as a leader in the nation on reopening during a very trying time.

While this is not how we pictured Miguel’s final season as Music Director, we have twenty years of his tenure to celebrate. I would like to thank Miguel from the bottom of my heart for his leadership and musicianship over two decades. We are not saying goodbye, however. We look forward to Miguel joining us in the future as Music Director Laureate.

I wish all of you my best and look forward to the 2020/2021 season when we will hopefully return to a more normal setting.

With warm regards,

A handwritten signature in black ink that reads "Mercedes Bass". The signature is fluid and cursive.

# President and CEO **Keith Cerny**

Dear FWSO Patrons and Supporters,

Thank you all for your dedication and loyalty to the FWSO throughout what has been an unprecedented year. We began the 2019/2020 season with exciting concerts, guest artists, and performances at new venue locations, as well as a season-long celebration of Miguel Harth-Bedoya’s final year as FWSO Music Director. We are all grateful to Miguel for his musical leadership over the past two decades, and I look forward to working with Miguel as the Music Director Laureate in the future.

Beginning on March 13, FWSO concerts were abruptly halted by the global crisis that impacted us all. In accordance with mandated government regulations, outlined by the City of Fort Worth, Performing Arts Fort Worth canceled performances taking place at Bass Performance Hall through May 17, 2020. The pandemic also forced the cancellation of Concerts in the Garden, which was replaced by a special televised America Strong Concert, recorded

at Dickies Arena. While we look forward to a modified live season in the fall, I would like to express my heartfelt thoughts to those of you who have suffered throughout these difficult times.

In this period, we focused on four primary goals:

- 1. Maintaining the health and safety of our musicians and administrative staff** by instituting a variety of safety protocols to enable safe operations. We’re proud to have paid our talented core musicians and staff with no job cuts, furloughs, or pay reductions.
- 2. Ensuring the financial stability of the FWSO** by developing new financial forecasting tools, cutting expenses, and seeking additional funding opportunities.
- 3. Launching the new FWSO digital Music Lab**, generously underwritten by Board Chairman Mercedes T. Bass, to connect digitally to audiences and education partners.
- 4. Communicating regularly with all our stakeholders** throughout this challenging time.

Looking back at the 2019/2020 season, we were incredibly fortunate to receive a \$1.589 million Paycheck Protection Program forgivable loan from the SBA, which, when combined with intensive fund-raising, allowed the FWSO to achieve a pre-audit operating deficit of just \$12,000.

Thank you for standing with the FWSO during these trying times. Many of you donated to the “Keep The Music Playing” fund and also generously donated the value of your cancelled concert tickets back to the symphony. It is because of you that we were able to end this season on such a strong note.

With all my best,

Keith Cerny, Ph.D.  
President and CEO

## Music Lab

In response to the COVID-19 pandemic, the FWSO created a digital Music Lab to keep the music playing beyond the walls of the concert hall.

Providing an opportunity to uniquely engage with musicians, staff, and sponsors, the four pillars—listen, learn, share, and give—all housed weekly content accessible via the world wide web.

This content was accessible via the FWSO website and on FWSO social media platforms, all of which saw a substantial increase in use.

## 2020 Patriotic Concert

In lieu of Concerts in the Garden, which was canceled due to the COVID-19 pandemic, the FWSO hosted a special televised July 4th America Strong concert at Dickies Arena in Fort Worth.

This performance included guest artists from the Fort Worth Opera, The Cliburn, and Texas Ballet Theater, with a special appearance by Broadway star baritone and Fort Worth favorite, Major Attaway.

The FWSO worked hard to produce the America Strong concert using the research available to create a safe environment for the musician to perform. These measures included COVID-19 testing, masks, plexiglass barriers, and socially distanced musicians, conductor, and guest artists playing in an empty 14,000 seat arena.

The concert was broadcast by WFAA on Channel 8 at 9 pm on July 4, 2020. The concert reached over 145,000 households beating out all other local programs in the 9 pm slot on July 4, 2020.

## FINANCIAL SUMMARY

The 2019/2020 season saw unprecedented losses in ticket revenue due to COVID-19 related closures. Expanded fundraising and FWSO's receipt of a forgivable Paycheck Protection loan of \$1.589 million, coupled with the application of a board reserve of \$336,000, allowed the organization to end the fiscal year with a slight deficit of \$12,000\*, despite the extraordinary challenges surrounding the pandemic.

During this financial crisis, Government support has been vital to the organization's financial health and covered 20% of the 2019/2020 season payroll. Concurrently, the FWSO is pleased to have been one of the only American symphonies to have maintained full pay and benefits for all FWSO staff and core musicians.

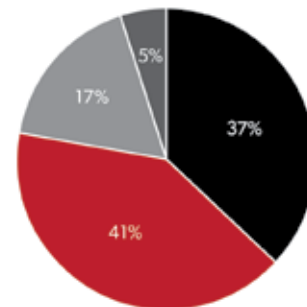

### Revenues

Contributions	\$	4,884,000	39%
Ticket Sales	\$	4,192,000	34%
Investments	\$	1,383,000	11%
Other	\$	336,000	3%
*Paycheck Protection Program	\$	1,590,000	13%
<b>Total Revenue and Support</b>	<b>\$</b>	<b>12,385,000</b>	

### Expenses

Orchestra Salaries	\$	4,628,000	37%
Programs	\$	5,073,000	41%
General and Administration	\$	2,070,000	17%
Development	\$	626,000	5%
<b>Total Operating Expenses</b>	<b>\$</b>	<b>12,397,000</b>	

\*FY20 audited financials reflect a deficit of \$1.601 million, as reporting guidelines required the FWSO to apply the PPP loan against the FY21 budget. In practicality, however, PPP funds were used for expenses related to the 2019/2020 season.

# Fundraising Spotlight

The FWSO 2019/2020 Season was one for the record books, in more ways than one. The FWSO is grateful to the multiple foundations, government agencies, corporate sponsors, and individual partners who committed philanthropic gifts of over \$4.88 million in direct operational support, including annual fund gifts and donations made to the Keep the Music Playing campaign.

Including Paycheck Protection Program funds, a total of \$6.47 million was raised during the 2019/2020 season in support of FWSO activities including performances at Bass Hall and in the community, Kinder and Young Persons' concerts, the creation of the FWSO Music Lab, and so much more. Thanks to the generosity of supporters like you, we were able to keep operations going, provide full pay and benefits to our wonderful musicians and staff, and create new opportunities to share and engage in the music beyond the walls of Bass Hall.
